

Library Solution

Rosetta Stone Library Solution Mobile App Instructions

1. Open your app store and download the **Rosetta Stone app**.

2. **DO NOT** launch/open the app once it's installed!

Instead, open your device's web browser and go to the library's website ("Databases A-Z" page: <https://www.lowermaclib.org/databases-a-z/>) and click the Rosetta Stone icon (scroll down the list to find icon).

3. Type in your library barcode number. Click **Sign In**.

4. Click **Rosetta Stone Library Solution**.

5. Type in your email address and password (at least 6 characters with at least 1 number). Choose a language to learn. Click **Sign In**.

6. Click **Launch Rosetta Stone Language Lessons Version 3**. The app will open automatically from there (you may need to click **Open**).

Note: If you want to switch your language, you will need to go through the Rosetta Stone link on the library's website.
